Donate to the Fund of your Choice

## Funding nutrition solutions through nutrition professionals

The Foundation relies on donations, not dues, to fund our work.

**Vision:** *A world where all people thrive through the transformative power of food and nutrition*

### Annual Sustaining Fund

■ Gifts support the areas of greatest immediate need, including:

- Operations
- Fundraising
- Grant-making activities

### Second Century

■ Scholarships

Contributions fund scholarships for students at all levels of study.

■ Research

These gifts provide support for domestic and global fellowship opportunities, food and nutrition research and the dissemination of outcomes.

■ Public education

Donations help underwrite domestic and global education programs and activities focused on the impact of food and nutrition on prevention and wellness, health care, health systems and food and nutrition security with a public benefit.

■ General fund

Donations are used where needed most, and for the administrative needs that make our fundraising and grant making efforts possible.

### Named Scholarships and Awards

■ Contributions are used to:

- Support an existing named fund
  - Establish a new named fund
- Gift minimums apply.*

**Mission:** *Through philanthropy, empower current and future food and nutrition practitioners to optimize global health*
